

LOCATION

Send me your location, let's

Focus on communicating

'Cause I just need the time and place to come through

(place to come through)

Send me your location

Let's ride the vibrations

I don't need nothing else but you

At times I wonder why I fool with you

But this is new to me, this is new to you

Initially, I didn't wanna fall for you

Gather my attention it was all for you, so don't

Take advantage, don't leave my heart damaged

To understand that things go a little bit better when
you plan it... oh

So won't you send me your location

Let's focus on communicating

'Cause I just need the time and place to come

through

Send me your location

Let's ride the vibrations

I don't need nothing else but you

Ride, ride, ride, come and vibe with me tonight

I don't need nothing else but you

(I don't need nothing else but you)

Ride, ride, ride, come and vibe with me tonight

I don't need nothing else but you

Nothing else but youuu ohh

Nothing else but youuu ohh

Nothing else but youuu ohh

I don't need, I don't need nothing else but
